TERMS

- * 33% discount off suggested prices
- * 10% extra discount for orders of 100+ of one badge
- * Credit 30 days from end of month
- * First orders must be pre-paid
- * Firm sale only - no 'sale or return'
- * Minimum order £5 invoice value
- * VAT charged at current rate

POSTAGE

In Britain and Ireland, orders sent post-free when invoice value is over £10; half postage charged on orders with invoice value £5-£10;

Abroad: full postage and insurance charged

LOST/DAMAGED PARCELS

We insure all parcels over 1kg, so it is very important that we know as soon as possible if a parcel has gone missing or arrived damaged. If you haven't received your order in four weeks (six if from abroad), or if it arrives damaged, can you let us know and keep the damaged parcel if there is one.

PAYMENTS

Please quote invoice number and date when you pay, and make sure your name is on the cheque or remittance advice.

SIZES/DESIGNS/COLOURS/PRICES

Sizes, designs and colours sometimes change with new supplies; so, unfortunately, do prices. We will keep trying to inform you of changes, but sometimes this is just not possible before the new stocks are in. If you only want the size/design/colour or price as listed- please specify on your order.

STOCKS

Some customers have been confused when badges are 'out of stock'; sometimes badges are out of stock for quite a long time, as suppliers can be quite erratic. We record ALL ORDERS of more than 5 of one badge, (and will record less than 5 if you ask us to), and send them on as soon as we have stocks, UNLESS you ask us not to. So there's no need to re-order unless you really want extra. And please try not to order in ones and twos if you can help it!

CREDIT

Please PLEASE don't abuse our credit terms. Many of our badges come from campaigns who can only afford to give us very short credit - some insist on payment with order. Many also rely on money from badge sales to keep going - so please pay us so we can pay them!
